spot on Nigel. We single white heterosexual men are the most overtaxed, and discriminated against group of all. We have a tough life trying to live up to the reputation of Gary in Men Behaving Badly, and there is so much to be done to live up to his splendid example. Now I'm 38 (plus 2 weeks) I'm determined to enjoy getting through the trauma of being 37 and not being discriminated against anymore, and to join you firmly in the grumpy old men camp. Bah, humbug! I'm a grumpy old man ! Half a century old ! Hurrah for us grumpy old men, we can look down on you youngsters, you 30-somethings, from our position of maturity and mock as you quake with fear lest ye upset the PC minions ! We're old, we don't care who we upset !

I've never met a Muslim I liked. They reek of hate and are sick in the head. Their religion is based on evil and hate. To hell with them and long live the Queen.
